Giải pháp chăm sóc răng miệng hiện đại - phân phối bởi INMAX Á CHÂU

16 years dedicated to oral care innovation

SHENZHEN BAOFENG TONG

Electrical Appliances Manufacturing Co., Ltd.

Founded in 2010, Shenzhen Baofengtong Electrical Appliances Manufacturing Co., Ltd. is a premier pioneer in China's oral care industry. With 16 years of unwavering focus on periodontal health, we have evolved into a leading manufacturer integrating R&D, production, and global distribution. Our operations are driven by the core values of Innovation, Quality, and Service.

We serve over 1,000 institutional clients worldwide, with total sales exceeding 30 million units across more than 70 countries and regions. Our products consistently rank among the top sellers on major domestic and international e-commerce platforms. Furthermore, we possess extensive experience in providing OEM services for Fortune 500 companies, earning widespread trust through reliable after-sales support, stable supply chains, and mature logistical solutions.

Our operations are backed by a 10,000-square-meter factory, a workforce of over 400 employees, and multiple professional production lines, achieving a daily capacity of 20,000 units. Equipped with a dedicated mold design center, injection molding workshop, and high-standard R&D laboratory, we maintain a rigorous full-process quality control system. From raw materials to finished products, every unit undergoes

CHỨNG NHẬN SẢN PHẨM

Sản phẩm được giới thiệu theo hồ sơ chứng nhận của nhà sản xuất.

- Medical-Grade Quality: We operate under **ISO 13485** (Medical Devices) and **ISO 9001** quality management systems, ensuring precision and excellence in every manufacturing stage.
- Global Market Access: Fully compliant with **IEC**, **CE** (Europe), **UKCA** (UK), **FCC** (USA), **PSE** (Japan), and **KC** (South Korea) standards for seamless international distribution and electrical safety.

core Advantages

Competitive Edge — The Secret to Market-Leading Performance

Versatile Pressure Range

Comfort-Pulse Tech

Industry-Leading Battery

ƯU ĐIỂM CỐT LÕI

Hiệu quả làm sạch - lực nước ổn định - thiết kế tiện dụng - độ bền cao.

- Versatile Water Pressure: Offering a personalized range from "Gentle Care" at low settings to "High-Intensity Cleansing" for deep removal.
- Comfort-Pulse Technology: Optimized flow algorithms and large-diameter nozzles deliver superior cleaning power while eliminating the stinging sensation common in conventional flossers.

HF-6

Portable Series
MOQ: 1,000pcs (Per Model/Color)

HF-6 - MÁY TẮM NƯỚC ĐA NĂNG CAO CẤP

Thiết kế cầm tay; nhiều đầu tắm thay thế; phù hợp vệ sinh kẽ răng mỗi ngày.

The Ultimate All-Around Flagship

Split waterproof structure

Gravity ball full-angle water outlet

Strong water pressure

Gentle gum care water flow

Multi-pressure mode

Features

Hot selling model on Amazon Since 2019

Separate waterproof structure--Reduce the risks that water leaks into inside

Patented gravity ball design--For using up side down and cleaning teeth inside

IPX7 waterproof--safely to shower in bathroom

Low frequency with higher water volume--Comfortable for gums

Strong water pressure up to 130PSI

Five pressure modes--More choices for personal use

Overheat protection--Safe to use

Specification

- Material: ABS+PC
- Water reservoir: 300ml
- Charging: USB-C7
- Working Power: 21W
- Water pressure: 40-130PSI
- Charging time: 5 hours
- Power Lithium battery: 2500mah
- Pressure settings: 5 settings
- Frequency: 1200times/min

Carton Specs

HF-6 - BỘ SƯU TẬP MÀU SẮC

Lựa chọn màu sắc đa dạng, phù hợp gia đình và quà tặng.

HF D11

Portable Series
MOQ: 1,000pcs (Per Model/Color)

HF-P11 - CHỐNG NƯỚC IPX8 NÂNG CẤP

Máy tăm nước cầm tay, thân máy chống nước IPX8.

Upgraded IPX8 waterproof

Upgraded split waterproof structure

Gravity ball full-angle water outlet

Strong water pressure

IPX8 waterproof

Detachable water tank

Features

Upgraded separate waterproof structure--better waterproof performance

Patented gravity ball design--For using up side down and cleaning teeth inside

Strong water pressure up to 130PSI

IPX8 waterproof--safely to shower in bathroom

Low frequency with higher water volume--Comfortable for gums

Five pressure modes--More choices for personal use

Detachable water tank--easy to clean

Specification

Material: ABS+PC

Water reservoir: 300ml

Charging: Type-c/USB-C7

Working Power: 21W

Water pressure: 40-130PSI

Charging time: 5 hours

Power Lithium battery: 2500mah

Pressure settings: 5 settings

Frequency: 1200times/min

Carton Specs

C102 - ĐÁY THẢO RỜI, DỄ VỆ SINH

Thiết kế thuận tiện tháo lắp, vệ sinh bình chứa nhanh chóng.

DÒNG C101/C102

Máy tăm nước cầm tay với nhiều phiên bản và màu sắc.

Easy-Clean Detachable Bottom

Upgraded split waterproof structure

Gravity ball full-angle water outlet

Strong water pressure

Multi-pressure mode

Detachable water tank

Features

Upgraded separate waterproof structure--better waterproof performance

Patented gravity ball design--ensures fluent water flow from any angle

Strong water pressure up to 110PSI

IPX7 waterproof--safely to shower in bathroom

Four Water Pressure Modes--Personalize your flossing

Detachable water tank--easy to clean

Specification

Material: ABS+PC

Water reservoir: 300ml

Charging: Type-c

Working Power: 11W

Water pressure: 40-110PSI

Charging time: 5 hours

Power Lithium battery: 2000mah

Pressure settings: 4 settings

Frequency: 1400times/min

Carton Specs

HF-6 PLUS - BÀN CHẠY TRÊN NHIỀU NỀN TẢNG

Phiên bản nâng cấp với phụ kiện đầy đủ, tiện lợi khi sử dụng.

HF-10 MINI - NHỎ GỌN, DU LỊCH

Thiết kế thu gọn; tiện mang theo khi đi công tác hoặc du lịch.
